Las Vegas, NV  
**Jan. 7 - Jan. 10, 2020**

Dear Christina,

You are invited to be the special guest of the Consumer Technology Association (CTA)® at our nation's largest annual tradeshow — [CES®](#) 2020, to be held **Jan. 7-10, 2020** in Las Vegas, NV.

As the world's most influential tech event, CES has served as the proving ground for innovators and breakthrough technologies for over 50 years — the global stage where next-generation innovations are introduced to the marketplace.

As a technology policy leader, you are invited to participate in our [Leaders in Technology \(LIT\)](#) program at CES. Experience firsthand the innovative tech in artificial intelligence, 5G, self-driving and more, and hear from industry visionaries about the impact of tech policy on the cutting-edge tech that's fueling our nation's economy and job growth.

The program is also designed to meet the requirements of the ethics committee of the U.S. Senate for privately-sponsored travel. Pursuant to the rules, we are permitted to pay for no more than two nights and one day, subject to approval. The program, including guest rooms and the Leaders in Technology registration suite, is headquartered at the Encore at Wynn Hotel.

CTA is offering to provide your roundtrip coach airfare, lodging, transportation in Las Vegas from and to the airport, as well as the show sites and group meals during your stay in Las Vegas. Attached please find the required [Private Sponsor Certification Form and list of Senate member](#) invitees for your review. This form will need to accompany your request to the U.S. Senate Selection Committee on Ethics for approval of privately-sponsored travel. CTA is not a lobbying firm, but does employ federal lobbyists.

Register today by creating an account using this email address — [christina\\_salazar@sbcsenate.gov](mailto:christina_salazar@sbcsenate.gov). *This is a limited, non-transferable invitation and we ask that you reply by Nov. 15.* For questions, please contact [LITprogram@CTA.tech](mailto:LITprogram@CTA.tech) or 703-907-7795.

We hope that you will be able to join us for the Leaders

in Technology program at CES 2020—the global stage for innovation.
